**AFFIDAVIT OF CHAD WRIGHT**

---

STATE OF ALABAMA )  
MONTGOMERY COUNTY )

Before me, the undersigned authority in and for said county in said state, personally appeared Chad Wright, who, being known by me and first duly sworn and placed under oath, deposes and says as follows:

1. On October 27, 2005 our office received the unclaimed property report for Modern Woodmen of America dated October 19, 2005. The filing submitted was for the report period ending June 30, 2005. The total amount of the report received was \$23,136.45. Of that amount, \$21,280.21 was reported in the name of Alonzo Austin.

2. The following relevant facts regarding Mr. Austin's assets were also included in the report:

- Reported Address: 1321 Oliver-Carlis Road Tuskegee AL 36083
- Account number: 6737108
- Relation Code: BF (Beneficiary)
- The remaining \$1,856.24 was reported in the following manner:
- \$1258.10 was reported with an owner in the name of The Estate of Harold Lowe.
- \$1.15 was reported as an aggregate amount that included 1 dividend check
- \$596.99 was reported as an aggregate amount that included 52 separate premium refunds

2. In February 2006, Mr. Austin contacted me to inquire about the funds that the State of Alabama was holding in his name. I informed him about the property and about the procedures he would need to take in order to re-claim the funds. He stated that he did not want us to send him a claim form, as he would not be filing for the funds. On February 15, 2006 Mr. Austin contacted me again by phone. We had virtually the same conversation as the first time and he again told me that he was not interested in filing a claim.

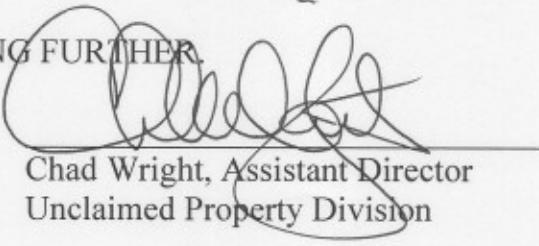

3. Subsequently, Mr. Austin faxed a letter stating "I, Alonzo Austin have been effectively barred from asserting my rights under the agreement in question as some one else have laid claim to said proceeds". I received the fax and called Mr. Austin to again let him know that we were holding the funds and that no one else had filed a claim against the assets being held.

4. I did not hear from Mr. Austin again until February 2, 2007 when he contacted me by phone. We again had virtually the same conversation in which I explained the process

for filing a claim. He again stated that he had no intention of filing a claim to receive the money. Later that morning, Mr. Austin sent a second fax indicating "Notice: 2<sup>nd</sup> and final (the states unlawful holding of property)". This fax also spoke of actions taken in 1993 regarding a durable power of attorney and a forged vehicle title. Neither the unclaimed property division nor the State Treasurer's office have any knowledge or involvement with any of the items presented in the second fax.

5. On February 22, 2007 I sent Mr. Austin a claim form and specific instructions for filing the claim. As of March 21, 2007, I have not received anything from him or had any additional contact with him

THE AFFIANT SAYS NOTHING FURTHER

Dear Ms. Drey:  
Re: [Claimed Property Certificate #6737108]

Please Note: I, Alonso Austin  
have been effectively barred from  
~~from~~ asserting my rights  
under the agreement in question  
as some one else have  
laid claim to said proceeds.  
it also appears that the  
party or parties may have turned  
in the said certificate in question  
in an attempt to collect said  
monies illegally which in my  
opinion give rise to a federal  
grand jury investigation. Won't you  
join me in this endeavor as this  
is a federal civil rights issue between states.

You're on Notice for the Second and final time that your actions taken with respect to this Matter is (Under the Color of Law), just like the action taken in the other years prior. Meaning 1993, where Record reflects the State VOIDED Ms. Lewis, "Durable General Power of Attorney" and in 1994, the State again forged a Vehicle Title to gain Access and Ownership of A Vehicle and in 1995, UNlawfully Converted all Ms. Lewis's Property including the Certificate in question along with

DEFENDANT ALABAMA STATE TREASURER'S OFFICE MOTION TO DISMISS

Alabama State Treasurer's Office ("Defendant" or "Alabama Treasury"), pursuant to Rule 12 (b) (6) of the Federal Rules of Civil Procedure hereby moves to dismiss all o the claims filed by Alonzo Austin, executor of the estate of Ruth H. Lewis, ("Plaintiff") against Alabama Treasury or, in the alternative, moves under Rule 12(e) to require Plaintiff to file a

more definite statement of his claims. In support of this motion the Alabama Treasury shows as follows:

1. The complaint fails to state a claim against Alabama Treasury upon which relief may be granted.
2. Although the complaint is 16 handwritten pages containing 43 numerated paragraphs, the only time defendant Alabama Treasury is mentioned in the entire complaint is in the style of the case and in paragraph numbered 26 where it is alleged that Modern Woodman of American transferred insurance proceed to the “Treasurer’s Office of the State of Alabama under color of law to be place(d) under the Unclaim(ed) Act of Alabama, subject to its laws.” Thereafter, paragraph 26 states this was done on 2/143/05 and alleges various attendant violations to plaintiff’s rights under various theories to support his claim for damages in paragraph 1 of the complaint.
3. The Plaintiff makes no specific allegations against the Alabama Treasury.
4. Plaintiff’s claims for damages are barred by the Constitution of Alabama. Article I, § 14 of the Alabama Constitution of 1901, states that “the state of Alabama shall never be made a defendant in any court of law or equity.” According to this section, the State and its agencies are absolutely immune from suit in any court. *Mitchell v. Davis*, 598 So. 2d 801, 806 (Ala. 1992); *Alabama State Docks v. Saxon*, 631 So. 2d 943 (Ala. 1994). Officers and employees of the State are also immune from suit when the action is in effect one against the State. *Mitchell*, 598 So. 2d at 806. An action against the State is one in which “a favorable result for the plaintiff would directly affect a contract or property right of the State, or would result in the plaintiff’s recovery of money from the state.” *Vaughan v. Sibley*, 709 So. 2d

482, 484 (Ala. Civ. App. 1997) (quoting *Shoals Community College v. Colagross*, 674 So. 2d 1311, 1314 (Ala. Civ. App. 1995)). In determining whether the action is in effect one against the State, the court should consider factors such as the nature of the action and the relief sought. *Vaughan*, 709 So. 2d at 484-85. When a suit is one for damages, a result favorable to the plaintiff would directly affect a contract or property right of the State. *Id.*

5. The Eleventh Amendment to the United States Constitution also bars Plaintiff's claims for relief. The Eleventh Amendment provides that “[t]he judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by citizens of another state, or by citizens or subjects of any foreign state.” The Amendment therefore not only bars suits against a state by citizens of another state, but it also bars suits against a state by that state’s own citizenry. See *Edelman v. Jordan*, 415 U.S. at 663, 94 S. Ct. at 1347 and *Hans v. Louisiana*, 134 U.S. 1, 13-15, 10 S. Ct. 504, 33 L.Ed. 842 (1890).

The Eleventh Amendment also prohibits a suit against state officials and employees where the State is the real, substantial party in interest. See Pennhurst State School & Hospital v. Halderman, 465 U.S. 89, 101-02, 104 S. Ct. 900, 908-09, 79 L.Ed.2d 67 (1984). “For example, if a lawsuit seeks to order the state officer to pay funds directly from the state treasury for the wrongful acts of the state, then the state is the real party in interest and the Eleventh Amendment bars the suit.” *Summit Medical Associates, P.C. v. Pryor*, 180 F.3d 1326, 1336 (11<sup>th</sup> Cir. 1999). This suit against defendant Alabama State Treasurer’s Office is in reality a suit against the State. Thus, the Alabama State Treasurer’s Office is absolutely immune from damages liability.

6. Defendant Alabama Treasury administers the Alabama Uniform Disposition of Unclaimed Property Act pursuant to §§35-12-70 through 35-12-96, Code of Alabama. Under § 35-12-76 (a) “ A holder of property presumed abandoned shall upon make a report to the Treasurer concerning the property[.]” Thereafter § 35-12-77(a) provides “[u]pon filing the report required in section 35-12-76, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the Treasurer, the property described as unclaimed, [.]” Under § 35-12-79 (b) “Upon payment or delivery of property to the Treasurer, the state assumes custody and responsibility for the safekeeping of the property.” The Treasurer has responsibilities for notification of abandoned property. § 35-12-78 (a) “It is specifically recognized that the state has an obligation to make an effort to notify apparent owners of abandoned property is a cost effective manner. Apparent owners have the right to file a claim to recover the abandoned property under § 35-12-83. Apparent owners are provided a statutory remedy under § 35-12-85 that provides, “A person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 120 days after its filing may maintain an original action to establish the claim in the Circuit Court of Montgomery County, Alabama naming the Treasurer as a defendant[.]”

7. In accord with the aforementioned Alabama Uniform Disposition of Unclaimed Property Act (hereinafter the “UCP Act”) defendant Modern Woodman of America reported unclaimed property on October 19, 2005 for the report period ending June 30, 2005. (*See* affidavit of Chad Wright, attached as Ex. 1). The reported property was remitted on October 27, 2005. The property received was \$23,136.45. Of that amount, \$21,280.21 was reported in the name of Alonzo Austin with the reported address of 1321 Oliver-Carlis Road,

Tuskegee, Alabama 36083. (Id. and Ex. 2) This is the name and address on record for the Plaintiff herein. A standard claim form was provided to Plaintiff by Treasury that provided the property identification number, instructions on how to claim the property with a certification section for claimant's signature and for a Notary Public. (*See* Ex. 3).

8. The Plaintiff has been aware of the unclaimed property reported in his name since February 2006 and has had written, telephonic and facsimile contacts with the Unclaimed Property Division from February 2006 through February 22, 2007. (*See* Ex.1) The Plaintiff directed a facsimile letter to the UCP Division on February 15, 2006. (*See* Ex.4) The Plaintiff sent another letter via facsimile on February 2, 2007. (*See* Ex. 5) This was aught but 18 days before he filed his complaint. He informed the UCP Division that he will not be filing a claim and that he is not interested in filing a claim. (*See* Ex. 1) The UCP Division responded by letter dated February 22, 2007 and enclosed claim forms and instructions. (*See* Ex. 6)

9. The United States Supreme Court has upheld the right of states to take possession of abandoned or unclaimed property. (*Delaware v. New York*, 507 U.S. 490, 497-98 (1993)

10. In consideration of the foregoing, Plaintiff's complaint should be dismissed with prejudice because it does not state any valid cause of action against Alabama Treasury and the Treasury has immunity from damage claims of citizens under the Constitutions of the United States and the State of Alabama.

Respectfully,

/s/ J. Michael Manasco
